City, State Abbreviation Zip Code | (123) 456-7890 | email@example.com | LinkedIn | Portfolio

## Profile

- A highly qualified and adaptable travel nurse holding a Doctor of Nursing Practice from New York University, with previous degrees from Johns Hopkins University and University of Pennsylvania. Experienced in rapidly adapting to new work cultures and environments while managing travel logistics and maintaining active nursing licenses in multiple states. Advanced knowledge and skills in emergency medical response, nursing, cross-cultural communication, and travel logistics management have been demonstrated in roles at Roche and Johnson & Johnson.

## Education

- Doctor of Nursing Practice (DNP) | HUNTER COLLEGE, New York, NY | September 2018 – May 2020
- Master of Science in Nursing (MSN) | ST. JOHN'S UNIVERSITY, Queens, NY | September 2017 – May 2018
- Bachelor of Science in Nursing (BSN) | BROOKLYN COLLEGE, Brooklyn, NY | September 2013 – May 2017

## Certifications

- Certified Pediatric Nurse (CPN), Pediatric Nursing Certification Board, January 2019
- Certified Registered Nurse Anesthetist (CRNA), National Board of Certification and Recertification for Nurse Anesthetists, March 2018
- Certified Registered Nurse Infusion (CRNI), Infusion Nurses Certification Corporation, October 2017

## Key Skills

- Collaboration
- Empathetic communication
- HIPAA compliance
- Medication administration
- Vital signs monitoring

## Professional Experience

### SENIOR TRAVEL NURSE | ROCHE, NEW YORK | JUNE 2018 - PRESENT

- Apply critical nursing expertise to handle emergency situations in different hospitals within New York state
- Show adaptability and quick decision making while working in rapidly changing work cultures and environments, ensuring seamless delivery of health care services
- Successfully managed housing and travel logistics that led to a 100% attendance record in nursing assignments across the state

### JUNIOR TRAVEL NURSE | JOHNSON & JOHNSON, PHILADELPHIA | MAY 2017 - MAY 2018

- Demonstrated vital nursing knowledge and skills in various hospital settings across Pennsylvania state
- Coordinated with multidisciplinary teams to improve care delivery, resulting in a 15% increase in patient satisfaction
- Efficiently handled own travel and housing arrangements, securing comfortable accommodations near assigned hospitals and managing travel times effectively
