PROFESSIONAL EXPERIENCE

Nursing Assistant

Essentia Health, Fargo, ND

August 2023 – present

- Focus on personal needs and provide daily hygiene care for up to 15 patients per shift, maintaining a 98% satisfaction score
- Report critical changes in patient conditions to attending nurse or department director to ensure swift medical response
- Collaborate with a team of 13 nurses to implement and refine patient care plans
- Transfer patients between beds and wheelchairs to prevent falls and other injuries
- Maintained a zero-injury rate since hire date through strict adherence to Essentia's safety protocols

CNA Student

Clinical Rotations, Fargo, ND

March 2023 – June 2023

- Assisted with 10 minor outpatient surgical procedures and ensured all tools and exam rooms were prepared appropriately
- Recorded patient vital signs and provided nutrition support in an assisted living facility
- Updated electronic medical records and took preliminary medical histories for over 150 patients before scheduled dermatologist appointments
- Reduced CNA response time by 10% on the obstetrics floor by working closely with the attending registered nurses
