PROFESSIONAL EXPERIENCE

Certified Nursing Assistant

Sunrise Rehabilitation Center, West Palm Beach, FL

August 2020 – present

- Deliver patient-centered care, including medication administration and vital signs monitoring for a rehabilitation center with over 85 patients
- Maintain patient satisfaction ratings of 95% through attentive, compassionate care
- Assist over 50 long-term residents with ADLs to create a supportive and dignified experience
- Manage electronic medical records and ensure Health Insurance Portability and Accountability Act (HIPAA) compliance
- Educate and advocate for patients and families regarding treatment and care options

Certified Nursing Assistant

South Atlantic Hospital, Boca Raton, FL

June 2018 – July 2020

- Administered bedside care and monitored vital signs for approximately 30 patients each day in a high-acuity medical-surgical unit
- Partnered with nursing staff to provide wound care and change dressings as needed
- Contributed to a 20% decrease in patient recovery time through strict adherence to infection control protocols
- Monitored patients' pulse, blood pressure, and oxygen saturation level
- Trained five new nursing assistants to ensure quality patient care and team efficiency
