 sarahjohnson@example.com | LinkedIn

RN with three years of experience delivering quality health care to diverse patient populations. Skilled at coordinating with nursing teams across hospital departments, improving patient outcomes, and communicating with colleagues and patients' families.

PROFESSIONAL EXPERIENCE

Registered Nurse | June 2022 - present

Abbott Northwestern Hospital,
Minneapolis, MN

- Deliver nursing care to a diverse patient population in a 60-bed unit
- Manage patient intake responsibilities to improve workflow and expedite registration by 25%
- Perform health exams for illnesses, injuries, and accidents, develop treatment plans, and coordinate post-hospital care
- Collaborate with a multidisciplinary team of over 18 health care professionals across hospital departments

Student Nurse Practicum | June 2021 - May 2022

United Hospital, Minneapolis, MN

- Completed a 640-hour nursing practicum in the surgical intensive care unit (ICU) under the supervision of an RN and ensured compliance with hospital protocols
- Prepared surgical tools in operating theaters, replenished medical inventory and equipment, and ensured sanitation compliance
- Oversaw the preparation of 15-plus patients daily in the ICU, helping facilitate timely prep to reduce operating room waits for procedures by 12%
