EDUCATION

Northeastern University, Boston, MA
Bachelor of Science (B.S.) Computer Science, June 2014

ABOUT ME

Certified SAFe scrum master with six years of experience optimizing agile processes in Software as a Service (SaaS) environments. Known for accelerating product delivery through data-driven insights and cross-functional leadership. Expertise in scaling agile practices and transitioning development teams.

PROFESSIONAL EXPERIENCE

October 2020 – present

Scrum Master • Shimento, Inc., Boston, MA

- Facilitate agile ceremonies for a team of 20, including daily scrums, sprint demos, retrospectives, backlog grooming, sprint planning, and program increment (PI) planning
- Leverage Jira and Jira Align to improve project tracking accuracy by 40% and reduce time spent on administrative tasks by 10 hours per week
- Improved sprint predictability by 20% with the adoption of advanced agile metrics
- Facilitated the successful delivery of a $5M SaaS platform launch, accelerating time-to-market by 25% through effective cross-functional collaboration

June 2018 – September 2020

Remote Scrum Master • Intellisoft Technologies, Baltimore, MD

- Orchestrated agile transitions for 10 concurrent software development teams, managing a combined product backlog value of $3M
- Implemented SAFe practices, elevating on-time project delivery rates from 70% to 92% within the first year
- Spearheaded a critical cloud migration project impacting over 200 users, reducing application downtime by 50% and saving an estimated 1000 development hours annually
- Established a DevOps-centric risk management framework to proactively identify and mitigate 85% of potential integration and deployment issues

CERTIFICATIONS

- Certified SAFe Scrum Master, Scaled Agile, 2023
- Agile Certified Practitioner, Project Management Institute, 2021
