ABOUT ME

Experienced RN case manager with a proven record of managing complex patient cases. Specializes in late-stage chronic kidney disease (CKD) and interdisciplinary coordination to ensure seamless transitions in care.

PROFESSIONAL EXPERIENCE

Registered Nurse Case Manager

Waverly Integrated Kidney Care, Tulsa, OK | April 2020 - Present

- Manage care for 25 patients with CKD and ESRD, tailoring plans to reduce hospital readmissions by 15%
- Conduct telehealth visits to improve accessibility and compliance with treatment plans
- Coordinate with nephrologists and social workers, ensuring smooth care transitions
- Introduced a resource allocation program, reducing care costs by 10%

Registered Nurse

Saint Teresa Hospital, Tulsa, OK | June 2015 - March 2020

- Provided acute care for 10 medical-surgical patients per shift, monitoring telemetry and responding to emergencies
- Participated in 50+ emergency response situations to stabilize patients before surgery
- Developed a discharge protocol that improved post-operative patient satisfaction scores by 25%
- Collaborated with interdisciplinary teams to enhance communication, leading to more efficient care delivery

EDUCATION

Master of Science in Nursing

The University of Tulsa | June 2015
