

SKYLER THOMPSON

A senior LPN with eight years of professional experience specializing in patient-centered care, staff development, and process improvement. A strong history of developing and leading diverse nursing teams to deliver exceptional care. Adept at liaising with patients, families, and medical teams throughout the treatment process.

PROFFESIONAL EXPERIENCE

SENIOR LPN

ST. ANTHONY'S HOSPITAL, MIAMI, FL | NOVEMBER 2019 – PRESENT

- Manage, develop, and train a team of 12 junior LPNs and medical assistants, ensure compliance with hospital policies and quality care standards, and provide mentorship to support long-term career growth and professional development
- Coordinate with RNs to implement new training programs and improve the efficiency of patient care delivery, contributing to a 7% increase in satisfaction scores
- Serve as a liaison between RNs, physicians, and multidisciplinary teams and effectively communicate patient concerns during treatment

LPN

ARLINGTON MEDICAL CENTER, MIAMI, FL | JUNE 2016 – NOVEMBER 2019

- Provided exceptional care to pediatric patients in a large hospital with 350 beds in collaboration with RNs and multidisciplinary teams
- Liaised with patients, parents, RNs, and doctors and communicated treatment plans, health risks, and diagnosis with compassion and empathy
