- Wound care

## EDUCATION

Bachelor of Science (B.S.) in Nursing  
University of Washington, Seattle, WA  
June 2019

## ABOUT ME

A compassionate LPN with five years of experience delivering exceptional patient-centered care in fast-paced clinical environments. A proven track record of communicating effectively with multi-disciplinary teams and serving as an advocate for diverse patient populations.

## PROFESSIONAL EXPERIENCE

Licensed Practical Nurse | July 2022 – present

Carson Medical Center, Seattle, WA

- Deliver compassionate care to diverse populations at a high-volume hospital with 300 beds and a 1-to-7 nurse-to-patient ratio while maintaining a 93% patient satisfaction score
- Administer medications, monitor vital signs, pain levels, and reactions, and communicate adverse changes in patient condition to the attending physician
- Serve as a bridge between patients and physicians throughout the treatment process and provide education on diagnosis, care plans, and risk factors

Licensed Practical Nurse | June 2019 – July 2022

West Light Health Services, Seattle, WA

- Provided quality in-home care to geriatric patients, which included wound care, catheter insertion, and assistance with ADLs
- Liaised between patients, family members, and physicians and effectively communicated treatment plans and long-term health outlook with empathy and compassion

## CERTIFICATIONS

- Licensed Professional Nurse (LPN), State of Washington | June 2019
