ABOUT ME

A certified dental hygienist with over six years of experience, specializing in patient education, digital radiography, and infection control. A proven track record of supporting dentists in performing a wide range of dental procedures and treatments. Adept at providing education on oral hygiene to promote long-term dental health.

PROFESSIONAL EXPERIENCE

Dental Hygienist | June 2021 – present

Smile Right Dentistry, New York, NY

- Perform dental cleanings for over 30 patients per week, communicate effectively with patients, and maintain a 91% satisfaction rating
- Support dentists during a wide range of procedures, ensure compliance with infection control protocols, and maintain patient comfort during oral surgeries
- Assist in the development and implementation of oral hygiene education programs to increase patient compliance with at-home care practices

Dental Hygienist | May 2018 – June 2021

Highland Dentistry, New York, NY

- Conducted dental cleanings and fluoride treatments for 15 patients per day under the supervision of a licensed dentist and provided education on oral hygiene
- Built positive relationships with patients and identified opportunities to increase patient comfort during procedures, contributing to a 92% satisfaction score
- Managed patient records using Dentrix software, ensuring accurate documentation

CERTIFICATIONS
