

MICHAEL STEVENS

Nurse Practitioner

Patient-focused new grad nurse practitioner with a Doctor of Nursing Practice from Johns Hopkins University and clinical experience in comprehensive patient care. Skilled in diagnosing and managing both acute and chronic health conditions, as well as educating patients and families on disease management and preventive care. Certified in family, pediatric, and adult-gerontology acute care.

PROFESSIONAL EXPERIENCE

January 2021 to present

Nurse Practitioner | Johnson & Johnson | Philadelphia, PA

- Diagnosed and managed acute and chronic health conditions for a diverse patient population
- Collaborated with physicians and health care teams to provide high-quality patient care
- Educated patients and families on disease management, improving patient satisfaction

June 2020 to December 2020

Registered Nurse, Pfizer Inc. | Baltimore, MD

- Provided direct patient care in a high-volume hospital setting, enhancing clinical skills
- Helped diagnose and manage patient conditions, contributing to treatment efficiency
- Participated in patient education initiatives, resulting in improved adherence to treatment plans
