

EMILY DAVIS

ABOUT ME

A dynamic physical therapy aide with three years of professional experience supporting licensed therapists in high-volume clinical settings. A strong history of successfully implementing therapeutic treatment plans to increase patient mobility and independence.

PROFESSIONAL EXPERIENCE

Physical Therapy Aide | Jenkins Physical Therapy, Denver, CO

July 2023 – present

- Support physical therapists in providing treatment to over 60 patients daily, including setting up equipment, assisting with exercises, and applying hot or cold packs
- Provide direct care to patients, ensure safe transport to and from treatment areas, and closely monitor progress during therapy sessions
- Perform administrative functions for the practice, coordinate patient scheduling, and organize documentation in the EHR system

Physical Therapist Assistant | Corbin Physical Therapy, Champaign, IL

June 2022 – July 2023

- Helped physical therapists with treating patients, focusing on mobility exercises and rehabilitation routines for patients recovering from injuries and surgeries
- Utilized knowledge of physical therapy principles to assist in patient care, contributing to a 20% improvement in patient recovery rates

KEY SKILLS

- Certified Physical Therapist Assistant (CPTA) | American Physical Therapy Association | June 2022
- Cardiopulmonary Resuscitation (CPR) Certified | American Heart Association | April 2022
