

MEERA PATEL

Welding supervisor with a strong education in welding technology and welding engineering, and a proven record in supervising junior welders, quality control, and handling complex welding tasks. Proficient in MIG, TIG, and stick welding, as well as reading and interpreting blueprints and welding symbols. Certified by the American Welding Society as a welding inspector, welder, and robotic arc welder.

KEY SKILLS

- Blueprint interpretation
- Complex welding procedures
- Quality control
- Workplace safety

EDUCATION

Bachelor of Science in
Welding Engineering
FERRIS STATE UNIVERSITY,
Big Rapids, MI

Associate of Applied Science
in Welding Technology
TULSA WELDING SCHOOL,
Tulsa, OK

Associate of Applied Science
in Welding Fabrication
PENNSYLVANIA COLLEGE OF
TECHNOLOGY, Williamsport,
PA

PROFESSIONAL EXPERIENCE

Welding Supervisor | Bechtel Group Inc., Houston, TX
January 2020 to present

- Oversee a 10-person team, providing technical guidance and ensuring adherence to safety protocols, resulting in a 20% increase in team productivity and zero safety incidents
- Inspect all welding work to identify and correct any defects, improving overall project quality by 15%
- Handle complex welding tasks involving different materials and advanced techniques, helping complete major projects on time and under budget

Welder | Fluor Corp., Irving, TX
June 2016 to December 2019

- Gained and applied proficiency in MIG, TIG, and stick welding, leading to a 25% increase in personal productivity
- Interpreted blueprints and welding symbols to accurately complete tasks, reducing rework by 30%
- Adhered to safety procedures and regulations, maintaining a safe work environment and preventing workplace accidents

PROFESSIONAL DEVELOPMENT

- American Welding Society (AWS)
- Certified Robotic Arc Welding (CRAW)
- Certified Welder (CW)
- Certified Welding Inspector (CWI)
