## KEY SKILLS

- Interpreting blueprints and building specifications
- Quality control
- Supervising junior welders

## PROFESSIONAL EXPERIENCE

SENIOR WELDER | BECHTEL GROUP INC., HOUSTON, TX  
JANUARY 2019 TO PRESENT

- Interpret and execute complex blueprints and welding process specifications for large-scale construction projects, ensuring accuracy and quality in all welds
- Supervise, mentor, and guide a team of junior welders, ensuring adherence to all safety protocols, resulting in a 20% decrease in workplace incidents
- Conduct regular quality control inspections on finished products, using specialized inspection tools and techniques, improving overall product quality by 15%

WELDER | FLUOR CORP., IRVING, TX  
JUNE 2018 TO DECEMBER 2018

- Demonstrated proficiency in MIG, TIG, and stick welding, contributing to varied construction and maintenance projects
- Helped interpret blueprints and welding process specifications, ensuring all welds met project requirements
- Conducted routine maintenance and repairs to reduce welding equipment downtime by 30%

## EDUCATION

Bachelor of Science in Welding & Fabrication Engineering Technology | Pennsylvania College of Technology,  
Williamsport, PA

Associate of Applied Science in Welding Technology | Tulsa Welding School  
Tulsa, OK

Certificate in Welding Technology | Lincoln Tech  
Denver, CO

## PROFESSIONAL DEVELOPMENT

- Certified Welding Inspector (CWI), American Welding Society (AWS)
- Certified Welder (CW), American Welding Society (AWS)
- Certified Robotic Arc Welding (CRAW), Robotics Industries Association (RIA)
