

MONICA WILLIAMS

Miami, FL 12345 | (555) 987-6543 | email@example.com | LinkedIn

PROFILE

A PA with seven years of experience delivering exceptional patient care in high-pressure emergency room environments. Adept at handling acute care cases, including trauma, cardiac arrest, and respiratory emergencies. Skilled in advanced medical procedures such as intubation, central line placement, and wound care.

KEY SKILLS

- IV therapy and medication administration
- Acute and critical care
- Advanced airway management (intubation)
- Central line placement
- Emergency diagnostics (X-rays, EKGs)
- Trauma management
- Team collaboration in fast-paced environments

PROFESSIONAL EXPERIENCE

Emergency Medicine Physician Assistant

Miami General Hospital, Miami, FL | July 2020 – present

- Deliver emergency treatment to over 40 critically ill patients per shift in a high-volume trauma center with a 1-to-7 nurse patient ratio
- Perform a wide range of lifesaving procedures including intubations, chest tube insertions, and suturing for trauma patients
- Coordinate with nursing teams to implement a rapid triage system for minor injuries and illnesses, resulting in a 16% reduction patient wait times

Emergency Medicine Physician Assistant

Miami General Hospital, Miami, FL | May 2017 – June 2020

- Supported physicians and multidisciplinary teams in delivering emergency care to over 35 patients per day
- Communicated diagnosis and treatment plans to patients and family members with compassion and understanding
- Collaborated with attending physicians and nurses to stabilize patients in cardiac arrest and respiratory failure

EDUCATION

Master of Science (M.S.) in Physician Assistant Studies

Florida International University, Miami, FL | June 2017
