2024

## ABOUT ME

A creative student teacher with expertise in adaptive learning, cooperative learning, education technology, and differentiated instruction. Adept at cultivating inclusive classroom environments and developing engaging lessons to drive student growth.

## PROFESSIONAL EXPERIENCE

Student Teacher | February 2024 – April 2024

Riverbend Elementary School, Hartford, CT

- Developed and implemented creative lesson plans for third-grade classes using adaptive and cooperative learning strategies, resulting in a 14% increase in average test scores
- Supported the integration of education technology such as Quizizz and Google Classroom to enhance student engagement and increase on-task behavior
- Performed comprehensive student assessments and adapted lesson plans to support diverse learning needs, grow student confidence, and improve participation

Teacher's Assistant | September 2022 – February 2024

Brookside Academy, Hartford, CT

- Coordinated with the lead teacher in delivering lessons, managing classroom activities, and providing individualized support to over 25 fourth-grade students
- Supported students in literacy and science, which included creating interactive activities to improve understanding of core concepts
- Maintained a structured and safe classroom environment by implementing effective behavior management strategies

## CERTIFICATIONS

- Elementary Teacher Initial Certification, State of Connecticut | 2024
