Boston, MA 02115 | (123) 456-7890 | samanthalee@example.com | LinkedIn | Portfolio

## PROFILE

A certified elementary student teacher with hands-on experience utilizing project-based learning, personalized learning, and blended learning strategies to support academic and social development. Adept at collaborating with faculty, parents, and school administrators to foster inclusive and nurturing classroom environments.

## KEY SKILLS

- Blended learning
- Student-centered learning
- Classroom management
- Differentiated instruction
- Cooperative learning

## PROFESSIONAL EXPERIENCE

### Student Teacher

Beacon Hill Elementary School, Boston, MA | January 2024 – April 2024

- Delivered interactive reading, science, and math lessons to a class of 30 fifth-grade students using blended and personalized learning methodologies, resulting in a 16% increase in average test scores
- Designed creative group activities to facilitate cooperative learning, foster social growth, and increase student engagement by 19%
- Conducted one-on-one sessions with students requiring extra support, helping 90% of them achieve their individual academic goals

### Classroom Aide

Bright Futures Academy, Cambridge, MA | June 2021 – December 2023

- Supported lead teachers in executing lessons for classes of up to 28 second-grade students, which included monitoring student behavior, grading assignments, and organizing classroom materials
- Delivered individualized support during after-school literacy workshops to aid students with IEPs in improving reading comprehension and language skills

## EDUCATION

### Bachelor of Arts (B.A.) in Elementary Education

BOSTON COLLEGE, Chestnut Hill, MA | May 2024

## CERTIFICATIONS
