

George Ramirez, RN

(123) 456-7890 • City, State Abbreviation zip code • email@example.com • LinkedIn | Portfolio

Compassionate RN with nearly three years of experience in both psychiatric and ICU. Prioritizes accurate medication administration under pressure. Recognized for ensuring a calm and safe environment through de-escalation techniques. Acquired over 100 hours of continuing education during internship and residency.

Professional Experience

EMERGENCY DEPARTMENT INTERN | Everett Memorial Hospital | Arlington, MA

January 2024 – PRESENT

- Deliver critical care to an average of five ICU patients per shift
- Administer medications accurately and on time according to the attending provider's orders
- Coordinate with over 20 different hospital departments and community agencies to ensure accurate and appropriate discharge planning
- Demonstrate an ability to remain calm and focused under pressure while supporting the ICU's code team
- Assist the nursing team in providing high-quality patient education, which led to a 10% decrease in hospital readmission rates in the first quarter of 2024

PSYCHIATRIC NURSE RESIDENT | Cunningham Hospital | Somerville, MA

November 2022 – December 2023

- Performed assessment, stabilization, and after-care treatment in a secured eight-bed psychiatric unit during a 12-month residency
- Provided care to children ages 12 to 18 under direct guidance from preceptor
- Collaborated with a multidisciplinary team, learning how to de-escalate situations to reduce the need for patient restraint
- Participated in over 100 hours of classroom-based psychiatric education and training
- Increased family satisfaction scores by 15% within the first six months of residency through improved care and support
