- Chronic disease management
- Tracheostomy and ventilator care

EDUCATION

Certificate in Vocational Nursing
HOUSTON COMMUNITY COLLEGE,
Houston, TX | 2015

ABOUT ME

Dedicated LVN specializing in pediatric care with six years of experience delivering compassionate, family-focused care to children with chronic illnesses and acute medical needs. Skilled in patient education, growth tracking, and advocating for improved health outcomes. Recognized for creating a nurturing environment to build trust with young patients and families.

PROFESSIONAL EXPERIENCE

Pediatric LVN | May 2018 – Present

Children's Hope Clinic, Houston, TX

- Provided nursing care for up to 25 pediatric patients weekly, including administering immunizations, managing chronic conditions, and assisting with diagnostic procedures.
- Collaborated with multidisciplinary teams to create personalized care plans and improve patient adherence by 15%.
- Conducted education sessions for parents and caregivers on managing childhood conditions like asthma, diabetes, and food allergies.

Pediatric Home Health Nurse | Jan 2016 – May 2018

Bright Star Pediatrics, Sugar Land, TX

- Delivered in-home care to medically fragile children, including tracheostomy care, ventilator management, and enteral feeding.
- Built strong relationships with families to enhance the comfort and trust of pediatric patients.
- Maintained accurate documentation to ensure seamless coordination with healthcare providers and case managers.

CERTIFICATIONS

- Licensed Vocational Nurse (LVN), State of Texas | 2015
- PALS Certification (Pediatric Advanced Life Support), American Heart Association | 2018
