## PROFESSIONAL EXPERIENCE

REGISTERED NURSE CASE MANAGER | Waverly Integrated Kidney Care, Tulsa, OK

April 2021 – PRESENT

- Manage care for patients facing late-stage CKD and ESRD, handling approximately 25 cases at a time
- Meet patients where they're most comfortable through in-person or telehealth visits
- Allocate resources effectively, contributing to an average 10% decrease in total cost of care after initial meeting with patients
- Advocate for patients to ensure their needs and preferences are prioritized
- Move patients seamlessly between care settings through meticulous planning and interdisciplinary coordination

REGISTERED NURSE | Saint Teresa Hospital, Tulsa, OK

June 2015 – March 2020

- Cared for an average of 10 patients per shift in a high-acuity medical surgery unit
- Utilized telemetry equipment to monitor and interpret cardiac rhythms, taking swift action when abnormalities arose
- Participated in over 50 emergency response situations that happened before, during, or after surgery
- Implemented a new patient discharge protocol that led to a 25% increase in post-operative patient satisfaction scores

## CERTIFICATION

- Registered Nurse License, Oklahoma Board of Nursing. Expires 2026
- Advanced Cardiac Life Support Certification, Advance Medical Certification, 2023
