

ST

Skylar Thompson

A construction supervisor with eight years of experience specializing in project management, blueprint reading, and logistics. A proven track record of managing complex residential and commercial projects valued at over \$1 million.

PROFESSIONAL EXPERIENCE

Construction Supervisor | March 2020 - Present
Raven Construction Co. | Philadelphia, PA

- Manage teams of up to 30 laborers, contractors, and architects to execute residential and commercial construction projects ranging from \$200,000 to \$1.4 million
- Implement new safety training programs to increase compliance with OSHA regulations, resulting in a 25% reduction in workplace accidents
- Coordinate with architects to interpret blueprints and ensure adherence to building codes and zoning regulations throughout the project lifecycle

Construction Team Lead | June 2016 - March 2020
Hardin Construction | Philadelphia, PA

- Led teams of over 15 contractors and laborers to conduct residential construction build-outs valued at up to \$300,000, including multi-unit buildings and custom homes
- Oversaw all aspects of procurement, interfaced with vendors, secured permits, and coordinated scheduling for deliveries and inspections

CERTIFICATIONS

- Certified Construction Manager (CCM), CMAC, February 2016
- OSHA 30 Certification, OSHA Education Center, April 2016
