## EDUCATION

Bachelor of Science, Cybersecurity  
Arizona State University, Phoenix, AZ  
May 2017

## KEY SKILLS

- Network IDS
- Firewall management (Palo Alto, Fortinet)
- Risk analysis and mitigation
- Penetration testing
- Compliance with NIST/ISO standards

## PROFESSIONAL EXPERIENCE

Network Security Engineer | CyberSecure Systems, Phoenix, AZ  
March 2019 - Present

- Deploy and manage IDS/IPS solutions, identifying and mitigating 300+ potential threats annually
- Conduct regular security audits to ensure compliance with ISO 27001, maintaining 100% certification standards
- Improved network defense mechanisms by implementing next-generation firewalls, reducing intrusion attempts by 45%
- Collaborate with IT teams to design secure network architectures for new deployments, protecting sensitive data

Network Analyst | SecureNet Technologies, Phoenix, AZ  
February 2017 - February 2019

- Monitored and analyzed network traffic for potential vulnerabilities, reporting findings to senior engineers
- Assisted in the deployment of endpoint security solutions, reducing malware incidents by 30%
- Conducted penetration testing on network systems, identifying and addressing critical vulnerabilities
