ABOUT ME

Compassionate Oncology Medical Assistant With Expertise in Cancer Patient Support

Dedicated Oncology Medical Assistant with 10+ years of experience assisting oncologists in treating cancer patients. Skilled in chemotherapy patient preparation, symptom management education, and emotional support for patients and families. Passionate about delivering high-quality, empathetic care to individuals undergoing cancer treatment.

PROFESSIONAL EXPERIENCE

Oncology Medical Assistant

Comprehensive Cancer Center, City, ST | June 2016 - Present

- Assist oncologists in preparing patients for chemotherapy, ensuring proper medication dosages and infusion site preparation
- Educate patients on treatment side effects, nutrition, and symptom management, improving patient quality of life scores by 35%
- Coordinate lab work and diagnostic imaging, ensuring timely results for over 200 patients per month

Medical Assistant

Hope Oncology Clinic, City, ST | May 2014 - May 2016

- Conducted patient intake, documented symptoms, and provided emotional support to patients undergoing cancer treatments
- Assisted in administering injections, collecting blood samples, and coordinating clinical trials for new treatment options
- Managed patient follow-ups, improving adherence to post-treatment care plans by 30%

CERTIFICATIONS

- Certified Medical Assistant (CMA), AAMA, May 2014
- Basic Life Support (BLS), American Heart Association, June 2014
- Oncology Certified Medical Assistant (OCMA), Oncology Nursing Society, September 2015
