ABOUT ME

Knowledgeable Allergy and Immunology Medical Assistant With Expertise in Diagnostic Testing

Dedicated Allergy and Immunology Medical Assistant with eight years of experience assisting allergists and immunologists in diagnosing and treating allergic conditions and immune disorders. Skilled in administering skin prick tests, preparing allergy shots, and educating patients on allergen avoidance and immunotherapy treatments. Passionate about helping patients manage allergies and improve their quality of life.

PROFESSIONAL EXPERIENCE

Allergy and Immunology Medical Assistant

City Allergy & Asthma Clinic, City, ST | August 2018 - Present

- Conduct skin prick and intradermal allergy testing to identify patient allergens, improving diagnostic accuracy by 30%
- Administer allergy shots and monitor patients for adverse reactions, ensuring safe immunotherapy treatment
- Educate patients on allergen avoidance, emergency epinephrine use, and asthma management, reducing severe reactions by 25%

Medical Assistant

Comprehensive Immunology Center, City, ST | June 2016 - July 2018

- Assisted in pulmonary function tests (PFTs) for asthma patients, ensuring proper diagnosis and treatment planning
- Collected and processed lab samples for allergy and immune system evaluations
- Managed patient records, scheduled follow-ups, and coordinated with insurance providers for treatment authorizations

CERTIFICATIONS

- Certified Medical Assistant (CMA) | AAMA | June 2016
- Basic Life Support (BLS) | American Heart Association | June 2016
- Certified Asthma Educator (AE-C) | NAECB | September 2017
