

James O'Connor

ABOUT ME

Dedicated and hardworking construction worker with recent hands-on experience supporting various construction projects. Skilled in equipment operation, basic carpentry, and following safety protocols. Eager to contribute to high-quality builds and expand expertise in residential and commercial construction.

PROFESSIONAL EXPERIENCE

Construction Laborer (Apprentice) | June 2024 - Present

Lone Star Construction, Austin, TX

- Assisted senior team members with laying concrete, basic carpentry tasks, and materials transportation for a residential housing project
- Operated tools and machinery such as power drills, saws, and forklifts under supervision
- Ensured safety on the job site by following OSHA standards and reporting hazards to the foreman

General Laborer | June 2023 - June 2024

Texan Builders, Austin, TX

- Supported day-to-day site operations, including preparing materials and cleaning workspaces after construction activities
- Assisted in the installation of drywall, flooring, and windows for two residential build projects
- Worked alongside skilled laborers to adhere to project deadlines and maintain site cleanliness and safety

CERTIFICATIONS

- OSHA 10 Certification | June 2024
