Emily Clarke

ABOUT ME

Detail-oriented biochemistry lab technician with a focus on accuracy

A dynamic professional with five years of experience in biochemical analysis, chromatography, and laboratory research. Enhanced experiment reproducibility by 15% through improved standard operating procedures.

PROFESSIONAL EXPERIENCE

Biochemistry Lab Technician

Genetics Solutions, San Diego, CA | August 2022 - Present

- Conduct biochemical tests and analyze results for genetic research projects
- Improved experiment reproducibility by 15% through process optimization
- Train lab assistants on safety protocols

Research Assistant

UC San Diego Biochemistry Lab, San Diego, CA | May 2019 - July 2022

- Prepared reagents and conducted molecular biology experiments
- Maintained detailed laboratory records

CERTIFICATIONS

- Advanced Chromatography Techniques Certification, ACS, December 2020

EDUCATION

Bachelor of Science in Biochemistry

UC San Diego, San Diego, CA
May 2016

KEY SKILLS

- Chromatography (HPLC, GC)
- Molecular biology techniques
- Data interpretation
- Reagent preparation
- Laboratory safety compliance
