 Cambridge, MA

KEY SKILLS

- Applied mathematics
- Statistical modeling
- Research publication
- Mathematical software (MATLAB, Python)
- Curriculum design

PROFESSIONAL EXPERIENCE

PROFESSOR OF MATHEMATICS | MIT, CAMBRIDGE, MA
AUGUST 2018 – PRESENT

- Published nine papers on statistical modeling in high-impact journals
- Developed a graduate course on computational mathematics, increasing enrollment by 40%
- Secured \$750,000 in funding for applied math research

ASSISTANT PROFESSOR OF MATHEMATICS | NORTHEASTERN UNIVERSITY,
BOSTON, MA
AUGUST 2013 – JULY 2018

- Taught undergraduate and graduate courses in calculus and linear algebra
- Mentored students, two of whom received research fellowships

EDUCATION

- Doctor of Philosophy (Ph.D.) in Mathematics
Harvard University, Cambridge, MA | May 2013
