EDUCATION

Doctor of Philosophy (Ph.D.) in Molecular Biology
University of California, Berkeley, Berkeley, CA
May 2014

KEY SKILLS

- Laboratory techniques
- Curriculum development
- Genetics research
- Scientific writing
- Grant proposal preparation

PROFESSIONAL EXPERIENCE

- Professor of Biology, University of Colorado, Denver, CO
August 2017 – Present
 - Secured \$1.2 million in research grants for molecular genetics projects
 - Published eight peer-reviewed articles on genome sequencing technologies
 - Designed lab-focused courses that improved student engagement by 35%
- Assistant Professor of Biology, Colorado State University, Fort Collins, CO
August 2014 – July 2017
 - Mentored 12 graduate students in thesis research, with three earning publication credits
 - Taught advanced courses in cell biology and bioinformatics
