KEY SKILLS

- Computer Numerical Control (CNC) machine maintenance
- Conveyor belt repairs
- Hydraulics and pneumatics
- Preventive maintenance
- Welding and fabrication

CERTIFICATIONS

- Certified Industrial Maintenance Mechanic , (CIMM), January 2016
- Welding Certification | 2016, , December 2016

PROFESSIONAL EXPERIENCE

INDUSTRIAL MAINTENANCE TECHNICIAN | SUMMIT MANUFACTURING CHICAGO, IL | MARCH 2020 – PRESENT

- Diagnosed and repaired hydraulic and pneumatic systems, minimizing production downtime by 20%
- Maintain and calibrate CNC machines, improving precision and extending equipment lifespan
- Lead safety audits and inspections, ensuring all machinery met OSHA compliance standards

MAINTENANCE MECHANIC | MIDWEST METALWORKS CHICAGO, IL | AUGUST 2016 – FEBRUARY 2020

- Repaired and serviced conveyor belts, robotic arms, and automated machinery to prevent costly breakdowns
- Assisted in welding and fabrication of custom machine components, reducing the need for expensive replacements
- Implemented a lubrication schedule for factory equipment, reducing wear and tear on high-use machines

EDUCATION

- Associate of Science (A.S.) Industrial Maintenance Technology
University of Illinois , Chicago, IL | May 2016
