KEY SKILLS

- Artificial intelligence (AI)
- Curriculum development
- Machine learning (ML) algorithms
- Industry collaboration
- Technical mentoring

PROFESSIONAL EXPERIENCE

January 2018 - Present

Professor of Computer Science, San Jose State University | San Jose, CA

- Designed a graduate-level ML course adopted by two departments
- Published six papers on AI ethics and algorithmic bias in top-tier journals
- Collaborate with tech companies to provide internship opportunities for students

August 2016 - December 2018

Assistant Professor of Computer Science, University of California | Santa Cruz, CA

- Taught foundational courses in programming and algorithms
- Guided research projects that led to three student publications

EDUCATION

Doctor of Philosophy (Ph.D.) in Computer Science

Stanford University, Stanford, CA | May 2016
