-  Detroit, MI 12345

## KEY SKILLS

- Java and Java Frameworks
- Software Development
- SQL and Database Structures

## EDUCATION

BS in Computer Science | Massachusetts Institute of Technology  
Cambridge, MA | May 2012

MS in Software Engineering | Stanford University  
Stanford, CA | May 2014

BS in Information Technology | University of California  
Berkeley, CA | May 2011

## PROFESSIONAL EXPERIENCE

SENIOR JAVA DEVELOPER | IBM, NEW YORK, NY  
JUNE 2018 – PRESENT

- Led a team of junior developers in designing and implementing high-volume, low-latency applications, increasing system efficiency by 20%.
- Performed comprehensive software analysis, testing, and debugging, improving system performance by 30%.
- Oversaw the full development lifecycle, reducing development errors by 15%.

JAVA DEVELOPER | AMAZON, SEATTLE, WA  
MAY 2017 – JUNE 2018

- Designed, developed, and maintained Java applications, contributing to three major project launches.
- Optimized database structures and SQL queries, improving performance by 25%.
- Collaborated with cross-functional teams to integrate web services and APIs, enhancing user experience.

## PROFESSIONAL DEVELOPMENT

- Oracle Certified Professional, Java SE 8 Programmer
- Microsoft Certified: Azure Developer Associate
- AWS Certified Developer – Associate
