KEY SKILLS

- PCR and electrophoresis
- DNA extraction
- Genotyping
- Lab safety protocols
- Data interpretation

EDUCATION

- Bachelor of Science (B.S.) in Genetics, University of California, Davis, CA | May 2020

PROFESSIONAL EXPERIENCE

GENETICS LAB ASSISTANT | CALIFORNIA GENOMICS INSTITUTE,
SACRAMENTO, CA
JULY 2022 – PRESENT

- Processed and analyzed 200+ DNA samples monthly with 98% accuracy
- Maintain lab equipment and supplies, ensuring uninterrupted operations
- Assist in genetic research projects, contributing to two peer-reviewed publications

RESEARCH INTERN | UNIVERSITY OF CALIFORNIA GENETICS LAB, DAVIS, CA
MAY 2020 – MAY 2022

- Conducted PCR experiments and analyzed electrophoresis results for research studies
- Documented findings for grant applications and scientific publications
