EDUCATION

BS in Computer Science
San Francisco State University, San Francisco, CA
May 2014

MS in Software Engineering
University of San Francisco, CA
May 2016

KEY SKILLS

- Microservices Architecture
- Java and Spring Boot
- Docker and Kubernetes
- RESTful API Design
- Distributed Systems

PROFESSIONAL EXPERIENCE

Java Microservices Developer | MicroServe Inc., San Francisco, CA
February 2017 – Present

- Developed and deployed microservices using Docker and Kubernetes, improving scalability by 30%.
- Created RESTful APIs that reduced latency by 20%.
- Collaborated with DevOps for continuous integration and deployment.

Software Developer | NetSolutions, San Jose, CA
June 2014 – January 2017

- Developed modular Java applications that facilitated a transition to microservices.
- Assisted in containerizing legacy applications to improve deployment efficiency.
- Enhanced service reliability through robust monitoring tools.

CERTIFICATIONS

- Oracle Certified Professional, Java SE 8 Programmer
- Docker Certified Associate
