KEY SKILLS

- Experimental setup
- Data logging and analysis
- Equipment maintenance
- Statistical modeling
- Research documentation

Amelia Bennett

Physics Lab Assistant

Analytical physics lab assistant with a focus on data collection and analysis
Physics lab assistant with three years of experience in conducting experiments, analyzing data, and preparing lab reports for university research projects.

EDUCATION

Bachelor of Science (B.S.) in Physics
Northeastern University, Boston, MA | May 2021

PROFESSIONAL EXPERIENCE

PHYSICS LAB ASSISTANT
NORTHEASTERN UNIVERSITY, BOSTON, MA | AUGUST 2023 – PRESENT

- Conduct experiments on electromagnetism and quantum mechanics, analyzing data using MATLAB
- Manage and calibrate lab equipment, ensuring accurate experimental results
- Prepare detailed lab reports, contributing to two peer-reviewed publications

RESEARCH INTERN
BOSTON SCIENCE INSTITUTE, BOSTON, MA | JUNE 2021 – AUGUST 2023

- Supported senior researchers in designing and executing physics experiments
- Recorded experimental data with 98% accuracy for long-term studies
