

Emily Rodriguez

Rural ER Nurse

(789) 012-3456 • Bozeman, MT 59715 • emilyrodriguez@example.com • LinkedIn | Profile

Adaptable rural ER nurse with eight years of experience providing emergency care in remote, resource-limited settings. Skilled in independent decision-making, telemedicine coordination, and stabilizing critical patients before transfer to larger facilities.

PROFESSIONAL EXPERIENCE

Rural ER Nurse, Bozeman Health Deaconess Hospital, Bozeman, MT September 2019 – Present

- Deliver emergency care for an average of 30 patients per shift in a rural hospital setting with limited access to specialists.
- Implemented telemedicine consultations with urban trauma centers, reducing patient transfer times by 25%.
- Perform advanced triage, wound care, and emergency interventions with minimal on-site resources.

ER Nurse, St. James Healthcare, Butte, MT June 2015 – August 2019

- Provided emergency care for trauma and critical patients, managing multiple roles due to limited staffing.
- Assisted in the establishment of a mobile emergency response unit, improving access to care in remote communities.
- Trained local EMS teams in ACLS and emergency stabilization techniques.

EDUCATION

- Master of Science in Nursing (MSN), Montana State University, Bozeman, MT 59715 March 2018
