## Education

- Bachelor of Science (B.S.) in Chemistry

University of Colorado,  
Boulder, CO

May 2018

## Key Skills

- Titration and chromatography
- Spectroscopy analysis
- Reagent preparation
- Data interpretation
- Hazardous material handling

## Professional Experience

CHEMISTRY LAB ASSISTANT | ROCKY MOUNTAIN CHEMICAL RESEARCH, DENVER, CO

JULY 2018 – PRESENT

- Conducted chemical tests and recorded results with 98% accuracy across 100+ weekly samples
- Maintained analytical instruments, reducing downtime by 25%
- Implemented a new reagent storage system, improving lab efficiency

RESEARCH INTERN | UNIVERSITY OF COLORADO CHEMISTRY DEPARTMENT, BOULDER, CO

JUNE 2018 – MAY 2020

- Assisted in synthesizing organic compounds for experimental analysis
- Performed chemical waste disposal in compliance with safety standards
